

SUPPLEMENTAL AMENDMENT

Serial Number: 09/689,136

Filing Date: October 12, 2000

Title: COMPOUNDS AND METHODS TO ENHANCE rAAV TRANSDUCTION

Page 13

Dkt: 875.032US1

Remarks

This Supplemental Amendment is filed in response to a request by the Examiner in a telephonic conversation on August 2, 2005. Claims 1, 6-9, 29, 36-37, 47, 79-81, 83, and 86-89 are amended, claims 90-95 are added, and the Abstract is amended. Applicant renews the request to rejoin claims 37-82 with the elected claims, and amends claims 37, 47 and 79-81 in accord with amendments to claims such as claim 29. The amendments are intended to further prosecution and are not intended to concede to the correctness of the Examiner's position or to prejudice the prosecution of the claims prior to amendment, which claims are present in an application related to the present application. Claims 1-4, 6-12, 29-84, and 86-95 are pending.

Applicant respectfully submits that the claims are in condition for allowance, and notification to that effect is earnestly requested.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,

JOHN F. ENGELHARDT ET AL.

By their Representatives,

SCHWEGMAN, LUNDBERG, WOESSNER & KLUTH, P.A.
